Type: Telephonic Personal (copy is given to applicant applicant's representative).

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Appl. rep. was informed that the after final amendment had been received and would be entered after approval of an Examiner's amendment to place the proposed claims in condition for allowance. Permission was given to amend claims 49, 52, 56, and 57 to correct typographical and grammatical errors and to improve clarity of the claims. With respect to claim 57, the amendment was also to correct a new matter issue. Claim 60 was added at the request of applicant to claim a specific embodiment of the claimed invention that had been inadvertently omitted from the amendment. Appl. Rep. was informed that the claims were now allowable.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.
